

1. New Atos Group presentations

New power point presentations on "**Atos Group**" & "**Atos Cylinders Division**" are now available. They contain a detailed overview on our main manufacturing plants, sales data, worldwide branches, hystorical highlights and product range description with relevant news and advanced solutions. Thus, they are the ideal tools to better present Atos to your existing and potential customers. You can easily download these new presentations by clicking the links:

<http://www.atos.com/pro-motion/AtosGrouppresentation.ppt>

<http://www.atos.com/pro-motion/AtosGroupPresentation-CylinderDivision2009.ppt>

These presentations will be included in the next releases of the **CDS-Screen saver & DVC-Software for Cylinder Design**.

2. KB09 new edition of Cylinders & Servocylinders technical catalogue

KB09 is the new technical catalogue containing all data regarding cylinders, servocylinders and related variants and configurations. It includes also the technical tables of **CKA** cylinders for potentially explosive atmospheres, **CKS** cylinders with adjustable sensors and **CNX** stainless steel round heads cylinders, thus displaying our full range of high quality standard cylinders.

Over **40.000 cylinders** produced every year witness customers appreciation on our cylinders' range, **KB09** is a further tool to enhance the promotion of this important Atos product family.

Available languages: Italian & English.

All the relevant technical tables are online at www.atos.com, section catalog on-line.

3. New Meeting Room for Trainings in Sesto Calende

Within the new enlarged Atos facilities in Sesto Calende, a **new Meeting Room** has been realised. Starting from June, comprehensive **technical sessions and workshops** with practical training will be periodically held in this new Meeting room, to qualify and to upgrade existing knowledge of our worldwide customers and distributors on new advanced digital technology.

The next 2-days training seminars, will be held on:

June, 18-19, 2009 "Atos Digital Electrohydraulics" - English language

July, 03, 2009 "Atos Digital Electrohydraulics" - Italian language

September, 17-18, 2009 "Atos Digital Electrohydraulics" - English language

October, 02, 2009 "Atos Digital Electrohydraulics" - Italian language

November, 12-13, 2009 "Atos Digital Electrohydraulics" - English language

Participants should apply in advance in order to arrange hotel accommodations.

3. 2009 Worldwide exhibitions

Atos will exhibit at the next [Hannover Messe](#) that will be held in Hannover on: **Monday 20th to Friday 24th April**. I invite you all to visit our stand, we will be at: **Hall 23 - Stand B18**.

Please submit us your requests to receive free invitations valid for the entire duration of the fair.

Next **2009** worldwide appointments:

- **BRASIL PLAST**, S. Paolo (04-08 May) - Plastic

- **MASHEX 2009**, Moscow (18-22 May) - Machine tools

- **PTC**, Shanghai (26-29 October) - Hydraulics

- **MDA**, Mumbai (10-13 December) - Hydraulics

We'll be pleased to meet you at our stand; if you intend to visit the exhibitions, possibly give notice of your visit in advance.

6. Summer holidays

Atos premises will be closed from August 10th to August 21th, last shipment on Wednesday 5th.

Office presence will be ensured except from August 10 to August 14.
